

SCW 16 port PoE Smart Switch - SW16-SMT

16 + 2 port PoE switch with extended transmission

- 16 x 100Mbps PoE Ports
- 1 Gigabit RJ45 Ports / 1 Ethernet/SFP Combo / 1SFP
- PoE 802.3af and 802.3at (PoE+) Support
- Up to 250W PoE Capacity
- Web interface for traffic, power, port status monitoring
- Extended Transmission Support via web interface
- 3 Year Warranty

Specs	
Ports	16 x 10/100/1000Mbps PoE port (RJ45) 1 x 10/100/1000Mbps port (RJ45) 1 x Gigabit Combo (SFP and RJ45) 1 x Gigabit SFP
Standards	IEEE802.3, IEEE802.3u, IEEE802.3z, IEEE802.3ab, IEEE802.3x, IEEE802.3af, IEEE802.3at, IEEE802.3az
MAC	8K
Forwarding Performance	28.272Mpps
Switching Capacity	38Gbps
PoE Specs	
Poe Type	802.3af / 802.3at (PoE+) Support
Power Capacity	30W per Port / 250W Total
Software	
Broadcasting	Found via Viewstation or Camera Tools
Ports	View port status, enable disable individual ports
PoE	View PoE Status, Enable/disable PoE power to individual ports
Loop Detection	Supported
Remote Management	Supports Star4Live
General	
Power	100-240V
Consumption	Maximum 265W
Temperature/Humidity	-10°C-55°C (32°F-104°F) / 5%-90%
Dimensions	17.32"x7.47"x1.73"
